Training for Developing the Management Competencies – Group II - Bucharest

10.08.2011

Euroaptitudini, WIFI RO SA and Institute for Economic Promotion of the Austria Federal Economic Chamber (WIFI Austria) together with The Romanian Business People Association (AOAR) announce the start of the Training for Developing the Management Competencies – Goup II (August 23rd 2011) as part of the “ Guidance and Professional Training at European Standards for Entrepreneurs and Managers” Project POSDRU 92/3.1/S/61622, co-financed by the European Social Fund.

The course for developing the management competencies gathers essential elements which are found also in a MBA programme, integrating the key domains that are covered in a prestigious master degree: Marketing, the Business Ethics, Accounting, corporate Behaviour, Quantitative Analysis, Operations, Finances, Economy, Strategy and a Mini-training MBA module.

The training targets the managers in different departaments and it takes place in a 10 days period. The course ends with obtaining the Management Competencies Certificate (C.N.F.P.A.), but also with obtaining a diploma issued by WIFI Romania.

During the “ Guidance and Professional Training at European Standards for Entrepreneurs and Managers” Project will be formed four groups from July 2011 untill January 2011, from which two will be in Bucharest, one group in Craiova and another group in Iasi.

Subscribing for the workshop is free of charge for all the interested managers.

Group II in Bucharest takes place in Radisson Blue (SAS) Hotel.

All details about the training and about the whole project can be found on www.gandesteprofitabil.ro or directly at contact@gandesteprofitabil.ro
